"Unity in diversity". It is not just another phrase or quotation. But, these words are highly prudent to a country like India that is incredibly rich in culture and heritage. Few quotations or statements cannot describe the pedestal that India holds in the world map because of its colorful and unique culture.

Bollywood (Films) they are another kind of performing arts for which India is quite popular in the world. The country produces more than 1000 movies every year and these movies are not only popular in the domestic market but also have a wide viewership in the Asian and European countries. Hindi, Punjabi, Gujarati, Kannada, Telugu, Bengali or Marathi, India produces movie in every language. India film stars are equally loved and liked like Hollywood actors.

It Calls for Celebrations: -

The 'Land of Gods' never needs a particular reason to celebrate. Celebration is a fundamental part of every Indian's life. From January to December, every month comes with a particular fair or festival. Makar Sakranti, Basanti Panchami, Holi, Ram Navami, Janamashtami, Diwali, Eid, Mahavir Jayanti, Buddha Purnima, Guru Purv and Christmas; the festival of every religion has a significance and it is celebrated in a boisterous way.
